

OK Ethics: Integrity at Work

Hear Ron Hall, author of *Same Kind of Different as Me* give his personal account of his unlikely relationship as an art dealer with a homeless man who threatened to kill everyone in sight. **His book was highlighted in the *New York Times* Bestseller list for 3-1/2 years** and was later made into a movie starring Greg Kinnear and Renee Zellweger. Inspired by “regular” people who make serious mistakes, it was **among the top five faith-based films in 2017**. And, if you’ve read the book, this is your chance to learn more about the next phase in the lives of Ron and his friends as they faced life with courage, humility, honesty and commitment. It is a compelling story that fills us with hope and optimism.
